

L.D. Bell High School Orchestras  
*Philharmonic String UIL Information*

Attention Philharmonic String Students:

UIL is **Thursday, March 2**. Bring or wear your uniform to school. Bring your lunch, snacks, dinner, drinks, and instrument. Bring a portable charger for your phone, we will be sitting for a while! You could also bring homework. You will report to the orchestra room at **10:05 am**. Here is a breakdown of our schedule:

8:45 AM: Report to school as usual.

10:05 AM: Report to the Orchestra Room for second period as usual. We will warm-up and have some class as usual. You will eat lunch and change into your concert uniform. You will have some time to eat in the cafeteria during A lunch. Do not leave campus for lunch! Be ready to go to the buses.

12:30 PM: We will get on the buses and depart for Newman Smith High School.

1:00 PM: Arrive at Newman Smith High School

4:00 PM: Warm-Up Room for String Orchestra

4:30 PM: Concert for String Orchestra

5:00 PM: Sight-Reading for String Orchestra

5:30 PM (estimated): Load Bus and Leave Newman Smith to return to Bell H.S. If the bus is late, we can eat our dinners and snacks while we wait.

Parents are highly encouraged to watch the competition. When students perform during the school day, there is often very little to no audience to play for, and it really helps the students' confidence to have some support. We are going to have to wait for the bus to finish its normal route before it drives to Newman Smith to pick us up. The estimated pick-up time is 5:30 PM. If you are able to watch the competition, you may take your student home with you afterwards as long as you sign them out with me.

Newman Smith High School is located at 2335 N. Josey Lane, Carrollton, 75006.

Thank you.
